Girl's Nite Out!

Featuring Comedian Chad Daniels

In 1974, a couple of teenagers decided to skip their post-prom party and go “necking” instead. Nine and a half months later, a star was born. And in the delivery room next to the star...Chad Daniels was born.

Chad got his “big break” just over 10 years ago and has already made a big impression in the world of comedy. He has performed as a finalist in Comedy Central’s Laugh Riots competition; at the Montreal *Just for Laughs* Festival; and on *The Late Show with Craig Kilborn*.

Chad has released two comedy albums - *Two Minutes for Stale Hacking* and *Busy Being Awesome*, performed on Comedy Central’s *Live at Gotham* and taped the TV special: “Comedy Central Presents... Chad Daniels.”
